Foreword

This is Nederland High School. This is her story told in pictures of working, playing, and learning together. It is a story of a school dedicated to an intangible ideal that tomorrow's achievements are built on today's accomplishments.

To many of us, the passing of this year simply means that we are one year older. To seniors, it means the year of fulfillment. Plans begun years ago have come to completion. Friendships formed become deeper as the time for separation draws near.

This year is filled with cherished memories; the important games we fought to win; the first, and for some of us, the last high school dance; the feeling of accomplishment that comes with the last years of school. School spirit, sentimental moments of youth, happiness, and sorrow, with occasional time out for studies all combine to complete a school year.

We, the PILOT Staff, have taken these factors and made of them a permanent record, as memories are permanent, in the 1962 PILOT.

This is N.H.S. in the 60's and the people who go here.

Editor

*There are black and gold colors bright
In a banner soaring high above
There's a field where the Bulldogs
fight
To glorify something they love
There's a PILOT filled with the faces,
Of friends who have come and gone;
Here are dear, old hallowed places
Never forgotten as time stretches on.*

Mr. Tannert Gets Unanimous

Mr. Tannert, our level-headed sponsor, intermingles nourishment with teaching.

The person we chose for the dedication of the 1962 PILOT is someone that touches the lives of every student and teacher in Nederland High School, either directly or indirectly. He has worked, not only for the students, but with them by loyally and sincerely promoting citizenship, good sportsmanship, scholarship, and social activities. His patience and understanding are only two of his outstanding characteristics. The PILOT Staff take this opportunity to express the gratitude and affection that the entire student body feels for him by dedicating the 1962 PILOT to Mr. William E. Tannert.

We Introduce . . .

The Family Behind the Man

Mr. T's pride and joy, Michele, is a sure inspiration to him.

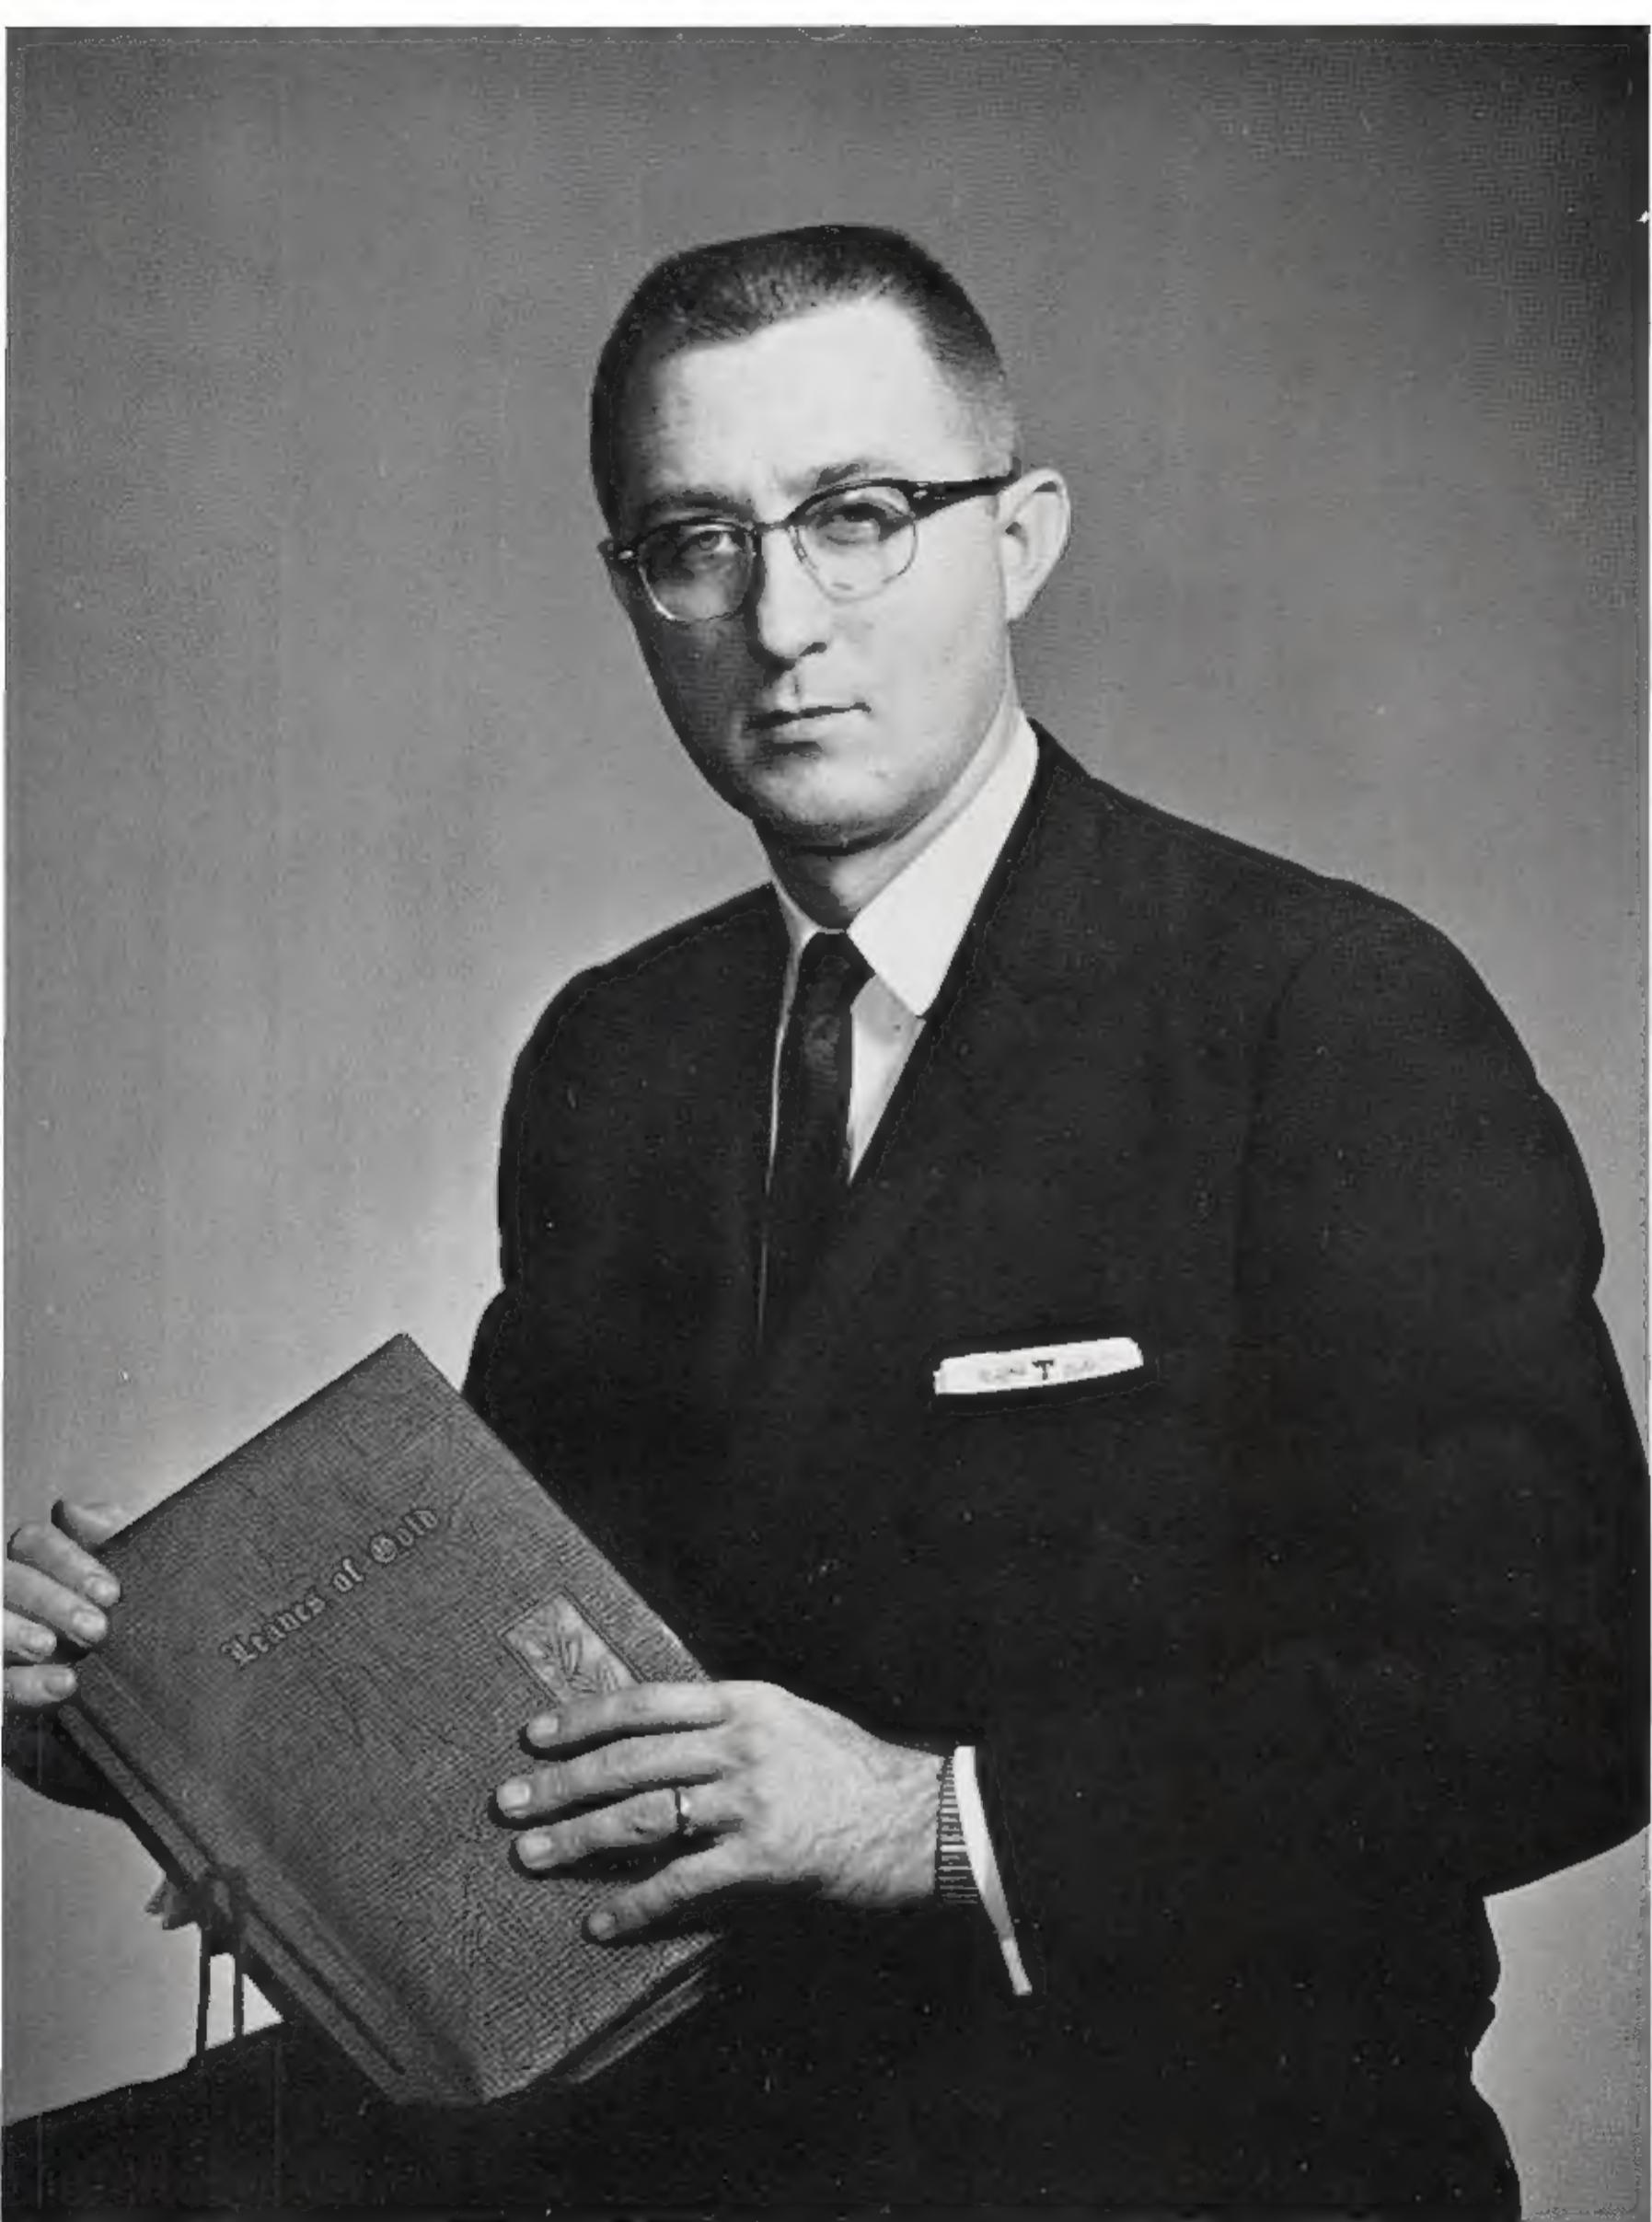

Mr. and Mrs. Tannert and Michele take time out to pose for a family portrait.

Mrs. Tannert and Michele are just as proud of Mr. Tannert as he is of them.

TO THE STUDENTS OF NEDERLAND HIGH SCHOOL:

The purpose of a school yearbook is twofold; to provide a living record of the activities of your school days and to preserve for posterity certain records which are otherwise left in obscurity through the years.

The Nederland Schools have provided you with a fine program of education; but in the final analysis each of you must realize that education is an individual responsibility. Where you go in life and what you make of yourself will be determined by the amount of foresight, courage and energy which you put into your daily routine. The good life can be yours if you remain of good cheer, work diligently, preserve your good character and reputation.

The Annual Staff is to be congratulated for the preparation of this book. This is an arduous task, and requires the expenditure of much time and effort.

Sincerely yours,

NEDERLAND INDEPENDENT SCHOOL DISTRICT

'62 Sophomores carry their load at an outdoor pep-rally.

The 1962 Sophomores Take No Time To Learn The Ropes On How To Get Along At N.H.S.

Wayne Richardson finds the girls in the back of the room more interesting than Sophomore English.

This election primary is a serious business, at least for Carol Peveto, Carol Smith, Pam West, Nancy Knight, and Sandy Peterson.

If these boys had joined the Pep Squad, their dream of being a Westernaire may have come true. (?)

Bill Barlow and Billy Joe Orr really enjoy the Sophomore Class meetings.
